**Note that all Historically Registered Qualifications (HRQ) will either be re-aligned or replaced by 2023 or on the registration end date in line with [QCTO CIRCULAR ON TRANSITIONAL ARRANGEMENT AS WELL AS OQSF IMPLEMENTATION CIRCULAR](#). You are advised to find alternative qualifications at [SAQA](#) or [Full & Part Registered Qualifications \(qcto.org.za\)](#) or [Skills Programmes \(qcto.org.za\)](#).**

Please contact the applicable SETA, should you want a qualification to be re-registered, re-aligned or developed. Preference will be given to qualifications in high demand as well as green skills.

The SETA reserves the right to accept or decline accreditation applications for HRQ's that have already been replaced. Even for qualifications whose registration is about to end. Should there be missing qualification(s) in the above table, please ensure that the correct Qualification ID is inserted in the correct field when you re-apply online. Also ensure that you select Letters of Intent when you reapply.

Yours faithfully
